

# TRIOLET

The great classic game of numbers

Author: André & John PERRIOLAT

Contents: 1 board, 83 tiles, 4 racks, 1 cloth bag, rules.

Triolet is a game of numbers where the goal is to score as many points as possible each round by placing one, two or three tiles on the same line totaling no more than 15 points.

Calculate well, utilize the numbers on the board, and place your tiles on the bonus squares to score more points! Triolet tests your skills of observation and mental calculation. Players of all ages can enjoy it, so it is perfect for the whole family.

“A smart and fun game of numbers for the whole family. Very accessible: just know how to make additions up to 15.”
