# DIMOI

Welcome to the world of DIMOI!

We would like our game to stimulate discussion in a fun and inspiring way, and help you get to know your partner even better.

## RULES OF THE GAME

The game has four question categories. You can either mix them all together in one pack or choose a particular category depending on your mood!

Let's get started! Take it in turns to pick a card and ask your partner the question you uncover!

## PLAYING TIME

Just a few cards can make for hours of discussion!

## CATEGORIES

**Us** • Explore what you value most in your relationship and learn to understand each other better.

**Popcorn** • Share your best stories thanks to our unique and quirky questions, and engage in conversations around unusual and funny situations.

**Inner self** • Ask questions that will help you and your partner gain perspective on what you really want, your values and your life goals. This category will bring you closer together, get you out of your routines and refocus your relationship.

**Hot** • Express your most intimate desires and create a deeper sexual bond!

**Enjoy your game!**
