

*I'm late. Awfully late! I must go to the Queen of Heart's Birthday party.  
I need to find her a gift, I know she loves hats, but it has to be absolutely unique!  
Also, I imperatively have to find Alice, or else, I fear for my head!  
I've looked for her everywhere. I went Left, then There, This way, Elsewhere, I turned  
Right, then Left and finally There... But I couldn't see her... Help me find her!*
